www.hawkmag.com

Dear HAWK,

I can't believe you got Tina to take a load in your magazine! Not that I know her or nothing, but she's just so hot that I can't believe she could also be so dirty. Watching her sprawled out on the shag carpet, cock in her mouth, looking up into her man's eyes; getting nailed in so many positions; and then seeing the cum streaming from her pink tongue, down her chin, across and between her tits all the way into and past her belly button—that's the greatest thing ever! Just thought you should know. I have things to do now. Bye!

Captain Bob
Erie, PA

Dear Captain,

Yes, we all have things to do, and Tina is at the top of any man's list. We appreciate your taking the time to send us the note and Tina loves the fact that you can hardly talk about her with having to excuse yourself. "That's hot!" she said when we read her the letter. And Tina knows hot.

Dear HAWK,

While Tanner Mayes appears to me an unusual name for a beautiful young lady, I'm willing to overlook it in the name of sexual satisfaction, and she is a most satisfying lay, I must say.

While I generally attract females closer to my age, Tanner is an exception. She's fresh-faced, bubbly, and bubble-butted. Her frilly panties stretch out perfectly to reveal her snatch, which is indescribably bald and smooth and supremely enterable. I loved seeing that vibrator vanish into her hot cooch, especially when she was in the doggie position. Ruff-ruff!

Additionally, her puffy-nipped little titties look like they are just asking to be popped into my mouth. I promise to lick and suck them carefully,

like little marshmallows, if only she'll give me the opportunity. I have several decades of practice and know I could please Tanner like she's never been pleased before. Just give me two hours and I will change her life forever.

In closing, I want it made clear that I find her most beautiful and worthy of the cover and centerfold in your magazine. If you ever run photos of her again please send me the issue. I am enclosing $15 just in case.

Angelo
Pacific Palisades, CA

Dear Angelo,

There are so many great things about Tanner that we don't even know how to start! The physical attributes are many—the puffy nipples, the perfect hole, the slender body, her round ass—and her personality is equally as solid. She's full of energy and smart as a whip and loves guys more than you can imagine. After we met her we decided that we couldn't come up with a single flaw, which is pretty remarkable. We expect you'll be seeing more of her real soon.

Hey HAWK,

Have you ever been to a restaurant and after your dinner they rolled out the dessert tray and despite still being hungry, everything looked so good that you just couldn't decide what you wanted so you passed entirely? Not me. I am not that kind of man.

Instead, I will get two or more items just to feel satisfied, even if I don't finish both. It's that kind of thinking that allows me to fully enjoy pictures of girls like Nikita and Anita more than other guys. While your typical guy would probably look at them and think, They are both very hot in different ways. One looks very innocent and the other sultry. I can't decide which one I like, so I'm going to look at other pictures where I don't have to make decisions. Not me. I can enjoy them equally, confident that I can please them both.

I am also unintimidated by their simultaneous use of vibrators. I realize that a vibrator has some advantages over a real cock, but the penis does many things that can't be replicated even by today's modern plastics and other materials. I know that neither of these girls can get a facial from a dildo or have its balls smacking her ass as she's getting mounted.

So three cheers for the two lovelies. Enjoy eating each other out, cum all over your vibrators, squeeze each other's tits until your hands get tired. At the end of the day I will be there and my cock will be ready and you will be satisfied. That's a guarantee.

Ivan
Lake Cumberland, KY

Dear Ivan,

We knew it was only a matter of time before HAWK readers got on the bandwagon for sexual guarantees. It's been going around recently and now the floodgates have been opened. Now all the girls are going to demand guarantees! Then again, when you have a couple hotties like Nikita and Anita, sweet talk just may not be enough, and anything it takes to bag a duo like that is cool with us.

Dear HAWK,

I was very excited to see that your January issue featured two of my favorite young porn stars, Jenny Hendrix and Carmen McCarthy. As a diehard porn fan, I love seeing some of the stars in your pages and was especially excited about Carmen since I don't think I've ever seen a magazine pictorial of her before.

As nice as it is to see girls with a cock in their mouth or jizz all over their faces, there is something refreshing about seeing Carmen next to a pool just playing with herself like she hardly even knew we were there. How intriguing that she uses such a small vibrator. See, guys, you can do a lot with a little if you have to!

Carmen is so pretty, with juicy breasts and that perfect, shaved pussy. If I were even half as beautiful, I would send you pictures, but not many girls are that pretty in real life. I guess that's why we have your magazine! Thanks, HAWK!

Heather
Coral Gables, FL

Dear Heather,

Thank you for your kind words. Carmen is an exceptional girl and we were thrilled to have the opportunity to photograph her without some guy getting in the way. (Not that it helped us get lucky, because we didn't!) As far as you and your prettiness, we think you should send in some pictures before you make any rash decisions. Many girls just don't know how pretty they are!

Jaime

Young sex star **Jaime** loves to have sex on the floor. She doesn't require beds, couches, or even chairs—she's content to spread her cooch and take a hard one right there on the floor. She figures, Might as well fuck some hard wood right on the hard wood! Oh well, when you're young and delicious like juicy Jaime, you don't yet need the creature comforts.

HAWK ON THE SET

Story By **Acme Andersson**

***Katie Morgan** sees dead people. Ghosts, to be specific. She calls it the curse of her life, but it's not all as bad as that. Ghosts don't always fit our stereotype of ghoulish spooks shouting "Boo!" and floating through walls. Many of them have great bodies that defy age and gravity—and they are incredibly horny, on top of it. And since they are ghosts, they have nothing to lose and all inhibitions are gone.*

While her special talent allows her to catch sight of a lot of scorching sexual action, Katie has trouble getting laid at home. Her husband has shockingly shown disinterest in the blonde beauty for a month, so watching hotties like Cindy Crawford, Vanessa Lane, Lisa Daniels, and Sophia getting their groove on is as torturous as it is stimulating. Still, Katie refuses to stray, at least in the physical world.

*Katie does manage to get her licks in while dreaming, but it isn't until her man is visited by a spirit himself that the couple gets back to the down and dirty. And after a few months without, it gets real dirty. **The Erotic Ghost Whisperer** gives us hope for a greater sex life not only in this life, but in the world beyond.*

CINDY CRAWFORD

Hershel Savage

There's nothing scary about Cindy unless her passion for sucking and fucking frightens you. There's no fear in Hershel's eyes, only lust for the blonde strumpet who serves up a long blowjob before opening her legs and shoving his dick in her shaved and pierced pussy. Or, as she calls it, "My tight little pink pussy!"

She grinds her twat onto his boner, "I fucking love it!" she moans, his staff lodged deep inside her thin frame. "Give it to me!" Hershel turns her over, spreads her pussy wings and lets his pecker fly into her divide as she keeps her fingers pressed against her button. Her nipples pop out, casting little shadows across her B-cups. Hershel grunts as she squeezes his member with her Kegel muscles and the tight squeeze gives them both the idea to fuck her ass.

Cindy tells him, "I fuckin' love it!" as she struggles to watch his cock slide in and out of her rear entry. "My ass can feel every inch!" She massages her tits as she takes his anal plowing until she finally asks for him to cum all over her face. Hershel squats over her and jerks off onto her closed mouth, white spew dripping down her chin and cheeks.

VANESSA LANE

Mikey Butders

Vanessa is married to Hershel and a little miffed that he's banging other spirited dames, so she takes a crack at his passed pal Mikey for a little revenge romp. He flips her with his fingers and tongue, then she gets ambitious with her sword-swallowing ability, stroking and sucking his thick dick while taking the time to admire it. Mikey finally needs to get his cock in her cooch, so she wraps her hand around his thickness and guides it firmly into her lovehole.

She glides up and down, her firm tits barely moving despite the rambunctious ride she takes on his pink pony. The buff boy turns her over for some missionary and then bends her over for some doggie, her body lithe and limber, and ass small and perky. Mikey pounds away as Vanessa smiles and moans, clearly enjoying having her pussy crammed with his vengeful meat. Mikey's having a pretty good time of it, too, and as evidence, he slathers her ass with his cream as she coos with delight.

KATIE MORGAN

Charles Dera

Katie isn't getting enough action at home and with all the paranormals constantly fucking around her, she discovers she has needs, too. So when the opportunity arises to screw Charles in her dream, she humps at the chance.

Her dreamboy laps at her pussy and its little patch of fuzz as she squirms and moans, "Uh-huh! Uh-huh!", asking him to suck her clit. She sucks, too, taking his mammoth member into her pretty mouth and saying *aah.* Her juices flowing, she climbs up his body and they fall gently into a puffy chair, his cock lining up perfectly with her snatch and a tit popping directly into his mouth. She rides his dick, round ass bouncing as she maneuvers his prick deep inside her glove.

Charles bends her over and takes her from behind and she shakes and moans, unable to take her eyes off him or her fingers away from her clit. "Pound me!" she pleads. "Just like that!" She collapses as she cums, Charles continuing to ram her, extending her orgasms. When it's his turn to cum, he blasts onto her tits, leaving his white residue on her full rack.

LISA DANIELS
SOPHIA

Katie's pal and real estate agent Nautica tries to get her to buy a new house, but she finds the same problem: restless spirits having sex almost everywhere she looks! This time it's Lisa and Sophia going at it on a couch, stuffing their tits in each other's mouth, digits in holes and lapping at their galpals' luxury.

Both are wearing (initially at least) netted clothing and Lisa has the bright idea to take on Sophia's protruding pussy lips through the net, sucking them through and deep into her mouth. Sophia responds by getting behind Lisa, darting her tongue in and out of the Columbian's hole as Lisa gyrates toward Sophia's face.

It's Lisa who decides to get the vibe on and in, bending Sophia over and playfully entering her meaty snatch, cream immediately covering the thin tool. She bounces and moans on the wand until she cums. For Lisa's turn, they go with something bigger and the beauty bounces on it while Sophia follows her clit with her tongue. When she cums, she nearly flies off the couch and the two fall into each other, exhausted and pleased.

Lisa and Sophia are
pussy-lickin' good!

KATIE MORGAN

Steven St. Croix

Steven finally has his own run-in with the spirit world in the form of Hershel, who offers not only his advice, but his balls. This is good news for Katie, who has been sex-starved for six months and is more than eager to get some ramming from her man.

Steven finds her in the kitchen cleaning around the stove. "What's gotten into you?" she asks as he begins pawing at her. He tells her that he is now two people—her husband and Hershel. She may or may not understand, but she isn't about to decline his advances. She sprawls out on the kitchen table and he laps eagerly at her pussy, not pausing long enough even to remove her panties, which stretch into a thin white line as they bridge the space between her knees. He licks and sucks her snatch then gives it a pat-down, which pushes her to the limit and gets her to take his matter into her own hands (and mouth).

Katie sucks his dong while looking up into his eyes as though she can't believe she finally has his hard cock in her mouth again after so long without. Before the reunion can end she lies back on the table, pulls her legs open wide and invites him to come inside. He spreads her lips apart and plunges his stick deep into her love nest. Her eyes widen with amazement, thrilled at having some real flesh inside her.

Her possessed hubby then flips her over for a standing doggie, holding one leg up high so he can fully enter her. Katie keeps one hand on the table and another working her snatch and then turns over for a proper doggie so Steven can pick up steam and drop his load on her, and he sends it arching over her ass onto the small of her back. Maybe having these ghosts around isn't such a bad thing after all.
